The Shiloh High School Band is comprised of dedicated band students spanning 9th to 12th grade. They spend long hours throughout the year preparing for parades, field shows, community celebrations, ceremonies and competitions. During the winter and spring, our challenging and rigorous Symphonic and Concert Bands perform at concerts and participate in county and statewide competitions. Our Jazz Band, Percussion Ensemble and Pep Bands are also active throughout the school year. Our Band Program provides enthusiastic musical support at all home football games, basketball games, pep rallies as well as other high school and middle school assemblies.

The Shiloh High School Band program brings pride and support to Shiloh High School and the entire Shiloh Community. We believe the dedication and hard work demonstrates why we have had past success and will continue to be successful in the 2022-23 year.

As a non-profit 501c3 organization, the **Brigade Band Boosters, Inc.** was created to support and promote the interests of the Band Program and to engage in charitable, civic, educational and social activities. Our program is in dire need of funding to continue the support of the band programs. Specifically, financial support is needed for the annual savings goal for uniform replacement, music literature, instrument maintenance/repair, capital outlay for new instruments, instructional materials & equipment, Symphonic Camp, guest conductors, master classes, fall and spring student awards, banquets, participation fees, audition fees, travel expenses, chamber music, insurance, supplies, concerts and instructional staff. Help fulfill the goals and aspirations of the Shiloh Band program by making a donation or becoming a sponsor.

Please come and enjoy any one of our performances throughout the upcoming year. For schedule information go to www.shilohbands.com
